

1. As a potential adopter, I would like to be able to filter small pets suitable for apartment living on the website.
2. As a potential adopter, I would like to be able to collect or mark the pets I am interested in.
3. As a potential adopter, I hope the website provides a pet raising guide
4. As a potential adopter, I would like to receive an email or text message notifying me of the status of my application once it has been submitted.
5. As a user, I would like to be able to consult with shelter staff online
6. As a user, I would like to be able to view feedback and reviews from other adopters
7. As a pet lover, I would like to be able to post or view adoption stories on the website
8. As a volunteer, I would like to be able to see which pets are most in need of help
9. As a person with a disability, I would love to find a well-trained service dog or assistance pet.
10. As a pet photography enthusiast, I hope to be able to screen out pets with unique appearances.
11. As an adopter, I hope to receive a follow-up email after the adoption is successful.
12. As an adopter, I hope to join the pet communication community
